

The Director of Central Intelligence

Washington, D.C. 20505

20 December 1982

Dear Dan,

Thanks for your note. I enjoyed your talk at the National Strategy Information Center breakfast.

If you think it would be useful, I would be glad to arrange for you to brief and exchange ideas with some of those here who are knowledgeable on space, missile, defense and other relevant technologies.

Best regards.

Yours,

William J. Casey
